

Charis is a multinational network of Grace Brethren church planters and developers [Canada, 1996], whose values are defined by the pursuit of biblical truth, biblical relationships, and biblical mission [Argentina, 1999]. The delegates of the 2008 International Conference affirm the following Commitment to Common Mission and encourage the participation of the Grace Brethren churches worldwide:

## Church Planting

---

We affirm that the church is God's plan for this age and commit to mobilize our members and resources to plant new churches because:

- the Spirit of Jesus poured out upon the Church is the Spirit of Mission to the nations (Acts 2:1-42; 13:1-4)
- the Church is a fruitful community in which disciples are made (Acts 2:42-47; Eph 4:11-16)
- the Church calls the lost to be reconciled to Christ through its evangelistic efforts (2 Cor. 5:16-21)
- the Church displays the multifaceted wisdom of God (Eph 3:10-11)
- through the Church God is glorified in Christ Jesus (Eph 3:21)

Therefore, we call upon:

- every local church to reaffirm their God-given mandate to reproduce through a concentrated effort to make disciples and form new churches.
- every National Fellowship or Association of Grace Brethren Churches to designate 2010-2020 as the decade of multiplication in which every church will be mobilized to reproduce itself through planting one or more new churches.

# 2015 Charis Global Audit for Church Planting

---

## Africa:

### Chad (Apostolic Model):

- 99 Cells (*Converts Gather Regularly*)
- 72 Chapels (*Organizing as a church*)

### Central African Republic:

- 32 Points of Light (*Just starting*)
- 12 Church Plants (*Converts gather regularly/Organizing as a church*)

### Cameroon (Apostolic Model):

- 47 Chapels (*Organizing as a church*) (*Santos*)

## Nigeria:

| Country | City/Town, State/Province | Church Plant Name | Primary Church Planter, Evangelist or Responsible Person.                                    | Type of Church Plant | Primary People Group | Current Status |
|---------|---------------------------|-------------------|--|----------------------|----------------------|----------------|

Vision USA is a national network of church leaders committed to the development of regional, organic church planting movements. As of July 2015 they are working in the following areas of the United States and of North America. For each area listed,

1. They have been invited to come plant organic churches in that region,
2. They work to begin a church as quickly as possible,
3. There is at least one key leader with whom they are working with the goal of building a regional team to lead further church planting efforts in that area.

USA Regions:

- Ohio
- Indiana
- Western Pennsylvania
- Allegheny
- Connecticut
- New England
- North Carolina
- Florida
- Texas
- Maryland
- Washington DC
- Alaska
- New York
- Chicago
- Southern California
- Northern California
- Eastern Virginia
- Tennessee
- Michigan
- Iowa
- Eastern Pennsylvania

International Regions: (church planting teams are ethnic to these locations)

- Mexico - Tijuana/Tecate
- Mexico - San Luis
- Mexico - Ensenada
- Cuba
- Haiti – Cap-Haïtien
- Guatemala
- Bahamas

## Charis 2015 Survey for Church Planting

The goal of this survey is to gather information on the efforts of all Grace Brethren Churches in the area of **church planting**.

During the 2008 Charis International Leadership Encounter (Bad Homburg, Germany), we established the following in regards to **church planting**:

*We affirm that the church is God's plan for this age and commit to mobilize our members and resources to plant new churches because:*

- *the Spirit of Jesus poured out upon the Church is the Spirit of Mission to the nations (Acts 2:1-42; 13:1-4)*
- *the Church is a fruitful community in which disciples are made (Acts 2:42-47; Eph 4:11-16)*
- *the Church calls the lost to be reconciled to Christ through its evangelistic efforts (2 Cor. 5:16-21)*
- *the Church displays the multifaceted wisdom of God (Eph 3:10-11)*
- *through the Church God is glorified in Christ Jesus (Eph 3:21)*

*Therefore, we call upon:*

- *every local church to reaffirm their God-given mandate to reproduce through a concentrated effort to make disciples and form new churches.*
- *every National Fellowship or Association of Grace Brethren Churches to designate 2010-2020 as the decade of multiplication in which every church will be mobilized to reproduce itself through planting one or more new churches.*

Please take a moment to carefully answer the following questions for **each** Grace Brethren **church plant** in your area. Thank you for your assistance!

**1. Please provide the following information (complete only the fields that apply to the specific church plant):**

Church Plant Name

Primary Church Planter,  
Evangelist, or Responsible  
Person

City/Town

State/Province

Country

**2. Which of the following best describes the type of church plant?**

- Apostolic or Evangelistic Team Model** – A trained individual or team is sent into an area to begin a new church or church planting movement. Once a church is established, the individual or team will move to another location.
- The Organic Model** – Small groups form and multiply, usually meeting in homes or other neutral locations, and often create a network for mutual encouragement. Groups may appear, disappear and appear again.
- Campus Model** – A local church sends a leadership team and group of committed laymen to a nearby community to plant an autonomous church.
- The Satellite Model** - A local church sends a leadership team and a group of laymen to a nearby community to plant a church but the mother church retains authority over the new church or churches.
- The Restart Model** – A struggling or aging church requests assistance from a healthier church to recreate the ministry. Often the new church has little in common with the church it replaced.
- Other (please explain)

**3. Can you identify the primary people group(s) or tribe(s) that the church plant is attempting to reach? (for a list of people groups, please consult [http://joshuaproject.net/people\\_groups](http://joshuaproject.net/people_groups))**

**4. Which of the following best describes the current status of the church plant?**

- Just starting** (few or no converts and no regular meetings)
- Converts gather regularly** (cells, home groups, etc.)
- Organizing as a church** (will soon no longer be considered a church plant)
- Other (please explain)

**5. How can we contact you should we require additional information?**

Name

Email Address

Phone Number

The goal of this survey is to gather information on the current efforts of all Grace Brethren Churches in the area of ***church planting***. While we will gather information on the ministries of every individual church, our survey report will focus on creating a summary of the ***church planting*** initiatives in each region of the world.

Thank you for taking the time to complete this information.
